

Malvern Wells CE Primary School

Admissions Policy 2010 / 11

Class size

Our Planned Admission Number (PAN), set by the governors of Malvern Wells C.E. Primary School, is no more than 15 per year group, giving a total of 105 overall for the whole school. The governors retain the right to amend the total for future years, as the school is a Voluntary Aided School. It is our intention to keep numbers in all classes no greater than 30. In 2010 we will have vacancies for 15 children in reception.

Admission criteria

Places are allocated by the Governors according to the following criteria, in decreasing order of priority:

1. * Relevant 'Looked After' Children in care of a local authority.
2. Children living in the catchment area of the school at the time of allocation of places,
3. Children who would have at the time of allocation of places, and still have at the time of admission, a brother or sister (natural, stepchild or legally adopted) at the school.
4. Parents or the child are actively involved in the work and worship at a Christian church or any other established faith within the local community. A letter from the parish priest, minister or faith leader should accompany the application. This must include written confirmation of a history of at least monthly participation for a minimum period of a year prior to the date of application.
5. Children living outside the catchment area who live nearest to the school by the shortest available walking route. The distance is measured by the shortest available walking route along a road or made-up footpath, from the nearest pedestrian access to the school site to the nearest entrance to the external boundary of the child's home address. In the event of equi-distance applicants, lots will be drawn for any available place. This lottery will be supervised by a person independent of the governing body.
6. In the event of a multiple birth application the parent will decide which child receives the place.

In accordance with legislation, a child with a Statement of Special educational Needs will be offered a place at the school named in the statement.

*Relevant is all those in the care of a Local Authority or provided with accommodation by a Local Authority under the terms of the Children Act 1989, 'looked after' at the time of the application for admission and who will still be 'looked after' at the time of admission.

Where there are too many applications from within the catchment area (2), priority will be decided in the order indicated above (3-5) to all catchment area applicants, i.e. those with brothers or sisters (siblings) first, then according to religious affiliation, then according to distance, assessed as indicated above.

If all pupils from the catchment area (2) can be accommodated, but there are insufficient places for children living outside the catchment area, then priorities will be decided according to the criteria above (3-5), i.e. children with siblings first, then according to religious affiliation and then according to distance as indicated above.

If there are insufficient places for children living outside the catchment area who have siblings at school (3), then priorities will be decided according to the criteria above (4-5), i.e. according to religious affiliation and then according to distance as indicated above.

If there are insufficient places for children living outside the catchment area who have siblings at school (3) and who satisfy the religious affiliation criterion (4), then priorities will be decided according to distance (5) as indicated above.
