

MALVERN WELLS NEWSLETTER

SUMMER 2

Week end 07.06.2024

A note from... *Mrs. Alford*

Wow, what a fabulous start back to the summer term. I have thoroughly enjoyed the variety of my week. We started with a really exciting meeting about our partnership with OPAL which will be launched in September. This a strategic investment into the duration of time children spend in play.

School has been a hive of activity this week and I have seen mathematicians at work, scientists exploring hearts, historians interpreting and many more fabulous learning opportunities. I am proud of our broad and balanced curriculum.

We are excited to welcome Lorna and Wilfred all the way from Kent. to Lind and Nightingale Class. They have been very brave joining in-term and we can't wait to see them shine.

This time of year is always busy so please do look closely at all the events outlined on the newsletter.

Next week, sees our Y6's off on a much awaited adventure to Arete and I am looking forward to joining them. We will be leaving at 8am on Tuesday morning and returning on Friday afternoon. We will keep you up to date with our ETA for return date and do please look at our facebook page.

Mr Boyle and I are looking forward to our Math's meeting with Steve Lomax on Monday. Mr Lomax a maths expert who wants us to work with him for mixed year group maths provision.

Have a lovely weekend
