

MALVERN WELLS NEWSLETTER

SUMMER 2

Week end 14.06.2024

A note from...
Mrs. Alford

What a fantastic week away we are having here in North Wales. I am always so amazed by how the children respond to new challenges and I have been so proud to see them trying and accomplishing difficult things. I would also like to extend my huge thanks to Mr Boyle for leading a hugely successful residential with the fabulous support of Mrs Dainty and Mrs Forsyth who have given up their family time to support the children. Huge thanks to the staff at Arête who have simply been brilliant. The experiences that the children (& staff) have had are life long memory making ones. Zip lining over coastal points, gorge walking, mining and rock climbing are simply fab to experience at 10, 38 or 59!!

Staff and children alike have had a great week at school as well, creating models, rapping to Math timetables, enjoying English and playing Music. Although, like all families, time apart is only enjoyed with the knowledge of members reuniting and I'm sure we can all agree that we are *all* looking forward to being together again.

This summer half term is really busy and we have lots going on. Please do ensure you have checked the newsletter for dates and look out for comms on T2Ps. It is particularly busy for Chilver and Mandela class.

I have really missed the remaining Malvern Wells family this week and am really looking forward to seeing lots of smiley faces on Monday. Have a restful weekend and a happy Father's Day to our dads and grandads!

Celebrating Fathers Day Sun. 16 Jun 2024

We wish all families celebrating Father's day this Sunday a wonderful day!

We also acknowledge all the single parents out there filling both roles and everyone who cares for their child with patience, guidance and love.
There can be no greater gift than parenting.
