### Weekly note from, Mrs Alford...

This week has brought some cold, frosty mornings, but Malvern has looked truly beautiful in the winter sunshine. It's also been a busy few days in school, with so much happening both in classrooms and across our developing curriculum.

Class 1 had a fantastic time joining pupils from St James at Smyte Farm, exploring the colours and changes of autumn and helping the Hedgehog build a home. I also had the pleasure of accompanying Year 5 to Dyson Perrins, where they made delicious spring rolls, practised new skills, and enjoyed a really valuable taste of secondary school life. A huge thank you to Dyson Perrins for welcoming us so warmly.

This afternoon, our boys' football team are heading to The Chase for the next round of their competition — we're all wishing them the very best of luck!

As always, please do keep an eye on the information coming from school and from our wonderful PTA. It's a busy time of year for everyone, and your support and engagement make such a difference.

One final thing, we are taking part in the Christmas Present Appeal hosted by the Salvation Army. As part of our vision, we talk about the light inside each of us not just guiding our own path, but helping to bring light to others.

# Classroom Highlights

## Class 1 – Reception

Class 1 enjoyed a wonderful autumn adventure at Smyte Farm this week. The children explored different types of seeds, created their own cosy hedgehog houses, and even learned a cheerful Autumn song. It was a day full of discovery, teamwork, and seasonal fun!

## Class 2 – Year 1 & Year 2

This week, Class 2 wrote fantastic diary entries inspired by Jack and the Beanstalk, stepping into various character's shoes to bring the story to life. In PE, the children took on energetic circuit activities with Mr. Tilley, building their strength, stamina, and enthusiasm. A brilliant week of imagination and movement!

## Class 3 – Year 3 & Year 4

The children explored fascinating theories about how the Egyptian pyramids were built and investigated different ideas, discussed the challenges ancient builders faced, and developed their own thoughts about these incredible structures. A week full of curiosity and discovery!

## Class 4 – Year 5 & Year 6

We immersed ourselves in hands-on Forest School activities, including carving hinge joints, practising square lashing, and building fantastic dens. The children worked brilliantly together, showing great teamwork, creativity, and enthusiasm. We were also delighted to welcome The History Man this Friday, whose session linked perfectly with our current learning about the Anglo-Saxons, enriching our understanding in an engaging and memorable way. What a wonderful week of community, skill-building, and shining brightly, well done, Class 4!
