

### Weekly letter from Mrs Alford,

Oh goodness me... I am an Easter chick this week! I absolutely love Mrs Tucker's creativity. It always makes me smile when I open the newsletter to add my section. I hope this week's update finds you well and enjoying the welcome sunshine.

Class 4 have just returned full of enthusiasm following their visit to Dysons this morning. They experienced a secondary school setting and further developed their computer science knowledge. What a fantastic opportunity.

It has been assessment week here at Malvern Wells. Assessments are not about adding pressure for children, but about helping us understand what they have learned and what may need revisiting in the summer term. Staff have all commented on how courageous the children have been, showing commitment to sharing their knowledge and resilience when faced with more challenging questions. These assessments will directly inform our planning moving forward. Well done to all of our children. You truly let your light shine.

This is also a busy time of year behind the scenes as we prepare and set the school budget for the next financial year. I always take time to carefully consider our next steps for improvement so that we plan wisely to support continued success. It is also a valuable opportunity to reflect on the many gains and achievements we have made this year and to look ahead with ambition.

Next week is jam packed. We have trips planned for both Class 1 and Class 3, as well as our Easter Service on Wednesday. All children should arrive at All Saints Church by 8.50am, where they will be registered by school staff. Parents and families are very welcome to join us as we reflect together on the Easter season. Breakfast Club on tour will be open at All Saints from 8am. We look forward to seeing you there.

We have also seen another influx of families visiting Malvern Wells for potential school places. This reflects our continued growth and we are now unable to accommodate new pupils in Years 3 to 6. Thank you for your ongoing support in sharing our school with others. It is rare that a visitor arrives without saying, "A friend recommended your school." We do have spaces in current reception, Year 1 and Year 2 - spread the word!

### New Attendance Procedures

*Children arriving after 8:50 AM must be signed in by their parent/carer and signed out if leaving during the school day.*

*This ensures accurate attendance records.*

### Attendance

Whole School Target: 96%

School attendance this week: **96.8%**

Class 1, Reception:  
**Nathan & Gracie**

Class 2, Y1 & Y2:  
**Arlo & Eliza**

Class 3: Y3 & Y4  
**Japer & Jesmeh**

LET'S  
CELEBRATE  
you

# CLASSROOM HIGHLIGHTS:

## Class 1

This week, Class 1 have been busy exploring their creativity and emotions during Forest School. They enjoyed creating clay faces, thinking carefully about different expressions and what they might represent. It has been a wonderful opportunity for the children to talk about their feelings while developing their artistic skills in a natural environment.

## Class 2

Class 2 have taken on the role of young engineers this week! Using a variety of materials, they designed and built their own walls to test which materials were the strongest. The children showed great teamwork and curiosity as they explored how different structures hold up, learning through hands-on investigation.

## Class 3

Class 3 have been inspired by Patrick Hughes. They explored perspective and form, creating artwork that appears to change as you move around it. The children really enjoyed experimenting with this creative technique!

## Class 4

Class 4 have shown fantastic determination this week as they completed their mock SATs and assessments. We are very proud of their focus and resilience. They also had a wonderful opportunity to attend a computer science workshop at Dyson Perrins High School, where they demonstrated excellent behaviour and truly embodied the Malvern Wells Way. A big thank you to Dyson Perrins for hosting such an inspiring experience!

# THIS WEEK AHEAD

## 23-27 MARCH 2026:

Monday, 23

Choir club 15:30-16:05

Tuesday, 24

Swimming lessons for Class 4 12:35-14:00 (Malvern Splash)
