

Head of School:
Mrs Dainty

Executive Head Teacher:
Mrs Alford

Weekly note from Mrs Alford,

Well... what a scorching week that has been! It certainly wasn't how any of us imagined the week would unfold, but I would like to say a huge thank you to all of our parents and carers for your patience, flexibility and support as we operated at reduced capacity to keep everyone safe. We do hope you have all managed to stay cool and well, and we are very much looking forward to returning to normal practice next week.

Despite the extreme temperatures, the children have continued to enjoy some fantastic learning experiences. As always, our staff have been incredibly creative, adapting lessons and making the very best of the situation so that children's learning remained purposeful, engaging and enjoyable. I am enormously grateful for their commitment and willingness to go above and beyond, whatever the circumstances.

It is hard to believe we are now entering the final three weeks of the academic year. This is often the point when everyone starts to feel a little jaded, yet somehow the school diary only gets busier! With several events having to be rearranged this week, the calendar is absolutely jam packed, so please do take a few moments to read through the upcoming dates and make a note of everything that is coming up.

I am particularly looking forward to joining our Year 5 children at The Chase Transition Event next week. It is always an exciting milestone as they begin looking ahead to Year 6, and I know they will have a great week.

As always, thank you for your continued partnership and support. Together, we will make these final few weeks full of opportunities, celebrations and memorable moments as we finish another fantastic year with our children at the heart of everything we do.

Changes to note...

- New Reception 2026 Starter Parents Evening moved to 01 July 2026 17:00-18:00
- Sports Day has moved to 10 July 2026

The Chase High School:

Year 6 Induction Day and the Parents Information Evening will now take place on Wednesday 1 July

Hanley Castle:

Wednesday 8th July

A LOOK AT THIS WEEK

Our Favourite Things This Week

Although this week has brought exceptionally hot weather, our children have embraced every opportunity to learn, explore and have fun while staying safe and cool.

Class 1 enjoyed a range of creative and practical activities, including drawing beautiful shadow pictures, making refreshing lemonade and engaging in water play. Their favourite activity was washing the class dolls, which brought lots of smiles and helped everyone stay cool.

Class 2 focused on staying cool while making links to previous learning through a range of calm activities. They were particularly proud of their collaborative art piece, exploring the features of villages, towns and cities.

Class 3 continued developing their balanced arguments about whether Forest School should be taught in all schools. They also explored the tools and language needed to write an unbiased discussion text.

Class 4 had an exciting week of learning beyond the classroom. They attended the Magic of Science event at Malvern College, where they were captivated by fascinating experiments and demonstrations. They also enjoyed a visit to Priory Church for the Lifepath experience, bringing history and faith to life through an engaging and memorable day.
