

Head of School:  
Mrs Dainty

Executive Head Teacher:  
Mrs Alford

## Weekly note from Mrs Alford,

It has been a lovely week here at Malvern Wells, with plenty going on across the school. As the end of the academic year draws ever closer, things are becoming typically fast and furious, with lots of exciting events packed into the final few weeks.

Thank you for your patience and understanding following the rearrangement of some of our events during the recent heatwave. We really appreciate your flexibility.

One of the highlights of this week has been spending quality time with different classes. Our Year 6 children have been off to their transition sessions at their new secondary schools and have returned full of excitement, sharing lots of positive stories about their experiences.

I also had the pleasure of joining our Year 5 pupils for their taster day at The Chase. They were absolutely wonderful company and embraced the opportunity with enthusiasm. It was fantastic to see them enjoying their first experience of secondary school with such confidence and positivity.

A reminder that end-of-year reports will be sent electronically on Thursday 10th July. If you would prefer to receive a paper copy, please email the school office at [office@mwprimary.co.uk](mailto:office@mwprimary.co.uk) to request one.

## CLASS 3

A reminder that Class 3 will be attending The Big Sing at Malvern Theatres on Monday afternoon (6 July). Please collect your child from the front of Malvern Theatres at 2:30pm.

We are also learning about money in class. If you have the opportunity over the weekend, please encourage your child to handle and count coins and notes. We appreciate that most payments are now made by card or phone, but if you have any spare change at home, it would be really helpful for them to practise recognising coins, counting different amounts and exploring equivalent values.

Thank you for your support.

# A LOOK AT THIS WEEK

**Class 1:** Mr Grumpy Comes to Life! Class 1 have been busy becoming fantastic authors by writing their very own Mr Grumpy stories. The children used their imaginations to create funny characters, exciting adventures and brilliant endings. They worked hard on using interesting vocabulary, punctuation and descriptive language, and we have been so impressed with their creativity. We can't wait to read more of their wonderful stories!

**Class 2:** Creative Crafting! Class 2 have been showing off their artistic talents by designing beautiful decoupage bookmarks. They carefully selected colours, patterns and pictures to create unique designs before getting everything ready for the next exciting step ahead which is sewing their bookmarks together! The children have demonstrated great patience, creativity and fine motor skills throughout the project.

**Class 3:** Growing in Faith and Understanding. Class 3 had a wonderful visit to the Seeds for Life programme, where they took part in a range of engaging, interactive activities exploring Bible stories, Christian values and prayer. The children listened thoughtfully, asked insightful questions and enjoyed learning through hands-on experiences. It was a valuable opportunity to reflect on important values such as kindness, friendship and respect, and everyone represented the school brilliantly throughout the visit.

**Class 4:** Busy, Active and Ready for New Adventures! Class 4 have had an action-packed week! Our Year 5 children took part in an exciting athletics event at The Chase, giving every event their best effort. There were plenty of smiles (and maybe a few sore legs afterwards!), but everyone showed fantastic determination, resilience and team spirit. Meanwhile, our Year 6 pupils spent the day at The Chase for their transition day, where they explored their new school, met teachers and classmates, and got a taste of the exciting adventures that await them in September. They represented our school brilliantly and returned full of confidence and enthusiasm for the next chapter of their learning journey.
