

Head of School:
Mrs Dainty

Executive Head Teacher:
Mrs Alford

Weekly note from Mrs Alford,

I am writing this from yet another very hot office, having once again made adaptations to our school day in response to the weather. The children have managed the heat brilliantly this week and, alongside their usual learning, have developed a real understanding of how to keep themselves safe in hot conditions. Thank you for your continued support with sun hats, water bottles and sun cream.

It has been an incredibly busy week, highlighted by the huge success of Class 4's production of The Wizard of Oz. I absolutely love the opportunity that a school production brings. Although it can initially feel like an enormous challenge, our children always rise to the occasion with remarkable courage and determination. Watching them discover new confidence, perform with such pride and shine in ways they perhaps never imagined is one of the greatest privileges of my role.

Another highlight of this week has been writing and reading the children's annual reports. It is always such a joy to reflect on the progress each child has made over the year and to celebrate the many successes, achievements and moments of personal growth that make every child unique. I hope you have enjoyed reading them as much as we have enjoyed writing them.

Thankfully, next week is a little calmer as we celebrate the end of another wonderful school year.

On Tuesday, our Year 5 pupils who wish to do so will present their House Captain pledges before the whole school has the opportunity to vote. It is always a fantastic opportunity for children to experience the British value of democracy in action.

On Thursday, we have one of the most eagerly anticipated events of the year – Malvern Wells Has Got Talent! Children are welcome to perform either as a solo act or alongside friends. Performances must be prepared in advance, and children should sign up with their class teacher on Monday. Class auditions will take place during the morning, followed by our whole-school grand final. I can't wait to see the incredible talents our children share!

On Friday, our final day together, the children will enjoy a picnic lunch before we gather for our special Best Seats – The Leavers' Edition. Parents are warmly invited to join us from 1.30pm. Finally, at around 3.00pm, we would love you to join us outside school as we create our traditional whole-school tunnel to give our Year 6 children the wonderful send-off they so richly deserve.

It promises to be a very special end to another memorable year at Malvern Wells.

Class 3 Cricket Enrichment Day Tuesday 14th July

Class 3 will be taking part in a Cricket Enrichment Day led by Coach Sam from Worcestershire Cricket. This exciting event will provide a fun and engaging way for the children to complete their PE curriculum for the year.

Please ensure your child comes to school in their full PE kit, brings a refillable water bottle, has sun cream applied before school (with extra to reapply independently if needed), and brings a sun hat. The school day will run as normal. We look forward to a fantastic day of cricket and outdoor learning!

Farewell, Mr Monkton

After many years of dedicated service at Malvern Wells, we say a fond farewell to our site maintenance caretaker, Mr Peter Monkton, as he retires.

Peter has worked tirelessly behind the scenes to keep everything running smoothly and has been a friendly, familiar face to generations of children and staff. Affectionately known to the children as "Mr Monkey", he will be greatly missed by us all.

Thank you, Peter, for everything you have done. We wish you a long, happy, and well-deserved retirement.

A LOOK AT OUR LAST SCHOOL WEEK OF 2025-2026!

Malvern Wells' Got Talent 2026!

Thursday 16th July

Do you have a talent that's ready to shine? Whether you sing, dance, perform magic, tell jokes, play an instrument, or have another amazing skill, we want to see it!

Class auditions will take place first, with the top acts earning a place in the Grand Final in the school hall.

Our fabulous judges:

Mrs Elliott

Mrs Dainty

The competition is already fierce, so make sure you practise, perfect your performance, and get ready to wow the judges!

Please note: This is an internal school event for pupils only – no parent audience.

Good luck to everyone taking part... we can't wait to discover Malvern Wells' next star!

A LOOK AT THIS WEEK

Class 1

Class 1 have been exploring the wonderful world of the seaside! As part of their learning, they have been looking closely at the features of coastal environments before creating their own imaginative land and sea maps. It has been fantastic to see their creativity and growing geographical knowledge come to life.

Class 2

There was plenty of laughter and teamwork in Class 2 this week as the children took part in problem-solving games during Forest School. Using the parachute, they worked together to tackle a variety of fun challenges, developing their communication, cooperation and resilience while enjoying the great outdoors.

Class 3

As the school year draws to a close, Class 3 have been reflecting on how much they have grown and are feeling excited and ready for the next stage of their learning journey. In maths, they have been putting their money skills to the test by counting pounds and pence and working out what they can afford to buy—an important life skill that they have enjoyed practising.

Class 4

What a fantastic week it has been for Class 4! The children proudly delivered two outstanding performances of The Wizard of Oz, showcasing their hard work, dedication and rehearsal. From confident acting and beautiful singing to teamwork and stage presence, every child played their part in making the production a memorable success. We are incredibly proud of them all!

Year 5 & 6 Take Us Over the Rainbow
