WEEK 10/03/2025

A note from... Mrs Alford:

What a wonderful week we have had! I want to extend my thanks to so many of you for joining us for parents' evening this week, allowing us to celebrate all the amazing achievements of your children. It is always a pleasure to partner with you and to work together in seeing each child SHINE. Your involvement and support are invaluable in fostering a positive educational environment.

Throughout this past week, it has been a joy to observe the children at the EMPOWER after-school club delighting in a variety of activities. The Nerf activities have sparked particular excitement among the children, and it is with great enthusiasm that I share that EMPOWER will be hosting a Nerf-Spectacular after Easter! Please keep an eye out for further information regarding this fun event, as we are certain it will be an exhilarating experience for all involved.

In addition to the fun happenings at EMPOWER, we are busily preparing for our upcoming Easter Service. It will take place at All Saints Church on 9th April, and I encourage you to check the details in our newsletters to ensure you don't miss out on the details for this important event.

I am also eagerly looking forward to session 2 of Parenting Generation Alpha, which will be held on Monday, 24th April, at 2pm here at our school. This session will focus on developing 'Tech-Wise' communities, a timely topic given the ever-increasing role of technology in our lives.

As we approach the end of term, I would like to remind you that school will be closed for pupils on 28th March (next Friday) due to a staff training day. EMPOWER are running an inset club for any Malvern Wells children - please do see the flyer below.

We look forward to seeing you all on Monday, as we continue our journey together in nurturing each child's potential and growth. Thank you once again for your ongoing support!

WE CAN'T WAIT TO SEE YOUR LITTLE ONES FOR A DAY OF FUN, FRIENDSHIP, AND FANTASTIC ACTIVITIES!

CLASSROOM HIGHLIGHTS

THIS WEEK

Class 1	What do fruits and veg taste like? We used our adjectives to describe the fruits and veg we tasted as well as setting descriptive words regarding a candy house.
Class 2	We tickled our taste buds as we tested fruits and veg and then wrote descriptive poems regarding them.
Class 3	Class 3 investigated Digimaps further and looked at OS symbols: <i>"An OS map symbol is the easily understood map language that will guide you through every walk, bike ride or run that you go on. All of the features you will see when out and about are on your OS map, and the symbol will help you with your map reading and to understand what your map is telling you."</i>
Class 4	We looked into light and how it travels in Science and practicing SATS.

Upcoming Severn Arts Mini-concert Invitation-All Parents Welcome

Severn Arts invites all parents and students to a mini concert to share in the joy of music.

Mrs Davies and Mr Revett who currently inspire and mentor some of our students with lessons in piano, guitar and recorder will be present for a Q & A session. You will also have the opportunity to see some of our students shine in a mini performance.

Come have a cup of tea/coffee and end the day on a musical note prior to collection!

10 April
3pm

All welcome!
