**WEEK 10/03/2025**

## *A note from... Mrs Alford:*

We have had an excellent week at school, full of amazing learning, committed learners, compassionate friends, and laughter.

A huge thank you to the parents and governors who joined us for the first session of Generation Alpha. It was a research-heavy session informing us all about this lovely generation. Our next session will focus on being Tech-Wise with our children. Please do join us on 24th March at 2 pm for free refreshments.

Next week, we are really looking forward to welcoming you for Parents' Evening on Wednesday and Thursday. The appointments will take place in classrooms, and the children's work will be available for you to look through and celebrate in the hall.

I must take a moment to mention our U8 football team. We have been discussing competence (what we do and achieve) and character (who we are) extensively at school. This team quickly demonstrated their competence and skill during the tournament, but I have also received numerous comments regarding their character. Cheering each other on, demonstrating kindness, and managing challenges with grace are just a few of the traits noted by staff and members of other school communities. Thank you for shining brightly!

It was a pleasure to welcome Pete Hines and Sarah Vaughan from Perryfields to school on Wednesday. They worked with the staff to share their wisdom on building strong connections and relationships with children and supporting positive behaviour. The training was excellent, and the staff were really motivated by the content of the session.

I hope you have a restful weekend and look forward to seeing you next week.
