WEEK 24/02/2025

A note from... Mrs Alford:

What a fantastic week we have had in school this week with some very welcome early spring sun! We have been busy all around school and immersed in our new blocks all the way across the curriculum. I had the pleasure of teaching in almost every classroom this week and it has been amazing to share all classes enthusiasm for their text telling.

As part of our English, children learn to retell a model text in different genres to support oracy through rehearsing spoken language and sentence patterns. The children simply come to life! I loved working with Class 3 to be news reporters about 'Why Dragons Are Extinct.' I also loved hearing Year 1 use their story telling voices to tell the 'Gingerbread Man'.

Well-Being Wednesday was also a particular highlight this week. Our focus for the day was gratitude. It was really special to see the children working with their peers in fun ways, to share different things/people/memories they are grateful for. A number of staff commented on what a lovely day it was. We also had the privilege of hosting Danielle Clark with us as an education representative from HSBC.

She carried out workshops with Y2-Y6 about money. We really believe that as part of our comitment to nurtuing the potential for the brightest future, children should have a grwoig knowledge of teh value of money and how to use it wisely. You would not beleve how many children told me it was a fib when parents said 'they couldn't afford it' because the money is just in apple pay! Huge thanks to Dani for starting this work with us.

Community News - It is with sadness and appreciation that we say goodbye to Mrs Lewis. Mrs Lewis became a mum in 2024 and has made the decision to prioritise this current chapter in her life at present. We are so grateful for the sparkle she added to school and wish her, and her family, ever success as they SHINE brightly.

Upcoming Severn Arts Mini-concert Invitation-All Parents Welcome

Severn Arts invites all parents and students to a mini concert to share in the joy of music.

Mrs Davies and Mr Revett who currently inspire and mentor some of our students with lessons in piano, guitar and recorder will be present for a Q & A session. You will also have the opportunity to see some of our students shine in a mini performance.

Come have a cup of tea/coffee and end the day on a musical note prior to collection!

CLASSROOM HIGHLIGHTS

THIS WEEK

Class 1

Rainbows brightened our class and rainy Wednesday this week. We also became detectives and searched for the Gingerbread Man following clues. We made wanted posters and put them up around school. If you find him please let Class 1 know...

Class 2

Creativity filled the classroom with joyous shrills whilst we experimented with cool and warm tones to create paintings of the sun and moon.

Class 3

Reporters read their news on braking stories regarding the extinction of dragons. We also enjoyed our food tasting sessions all things bagels, bread and wraps-yum!

Class 4

Dear Diary... This week we have been writing entries as if we were Syms after his ordeal with some unidentified creatures. We are engrossed in Darwin's Dragons at the moment, all things Galapagos Islands and got a big surprise when Mr Boyle showed up in class as a t-rex!
