## ***A note from... Mrs Alford:***

The corridors have been buzzing with excitement as our children dive deep into their learning journeys. We had a visit from Boudicca herself this week!

One of the highlights that has brought an extra spring to our step is the return of our extra-curricular school clubs. The laughter and chatter echoing from these sessions remind. I loved singing my heart out with choir club!

I'm absolutely thrilled to announce that Mrs Dainty is back with us, fighting fit and regaining her full energy. Her absence was keenly felt, and we're all delighted to have her cheerful presence gracing our halls once again. Welcome back, Mrs Dainty – we missed you!

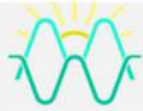

I'd like to take a moment to express my heartfelt gratitude to our dedicated governors. Their support and guidance in steering our school towards a bright future is truly invaluable. Together, we're crafting an environment where every child can flourish and reach for the stars.

Now, for some important notices: Our Year 1 and Year 2 children are in for a treat on Monday as they head off to the Chase for a multi-skills event. What an exciting opportunity to showcase their abilities and learn new ones! Please check the original letter on T2p for collection information.

On a more serious note, we've noticed that some of our children are consistently arriving late to school. I cannot stress enough how crucial it is for every child to be in school by 8:50am. Those first few minutes of the day set the tone for learning, and we wouldn't want anyone to miss out. Let's work together to ensure all our children start their school day on time, ready to embrace the learning adventures that await them.

As always, thank you for your continued support and partnership in nurturing our wonderful school community.

## EMPOWERING AND ENGAGING BREAKFAST & AFTER SCHOOL CLUBS

Empowering, inspiring and engaging all children whilst providing an opportunity for the children to grow physically, mentally, socially and emotionally while in a safe and stimulating environment.

★★★★★

"Empower Active provide fun and engaging games, knowing the children are also learning new skills during these times is great. The mornings are great knowing the children are being engaged and inspired before a day of learning."

## WHATS ON OFFER:

**Games & Activities** **Arts & Crafts** **Sports Clubs** **Mindful Activities** **Creative Play**

**“★★★★★**  
"My son has attended on after school club so far and he seemed to enjoy the activities. I found the booking process easy and it was easy to communicate changes to timings of pick up which I required last minute. Pick up was efficient too."

**“★★★★★**  
Emily really enjoys your after school clubs. She comes home with a smile on her face having enjoyed the sports and craft activities. They recognise how Emily is feeling and have been very supportive when she has been sad. The Covid pandemic took all the afterschool clubs away and it is great to see them back. We love that School is now more than the national Curriculum and that Emily is fitter, healthier and happier as a result. Thank you very much for all you do.

**“★★★★★**  
I have been really impressed with how well the team has made my extremely anxious child relax and settle into the school day. He speaks highly of you all and loves coming to the club, amazing in such a short time frame. Thank you.

**“★★★★★**  
Staff are excellent and the service provided is exactly what I want, which is interactive and stimulating childcare.

Our experienced play leaders and engaging curriculum offer children the opportunity to learn and grow in a safe, nurturing environment. Providing trusted, caring and nurturing wraparound care is really important to us, We're the first faces to start your child's school day and the ones waving them off at the end and we take that responsibility very seriously. Please contact us to schedule a tour and learn more about the wrap around on offer.

# CLASSROOM HIGHLIGHTS

THIS WEEK

## Class 1

Identifying and labelling the 7 continents using playdough to create a world map. We looked closely at how the trees changed through the seasons and also made cloud dough to play with using coconut conditioner! Lots of careful observation and great discussion.

## Class 2

Using maths and computing the children enjoyed programming their bee bots and we spent time completing our diary entries as Charles Darwin.

## Class 3

All things Roman this week, from fancy helmets and costumes to HOTSEATING with Boudicca (queen of the Celtic Iceni tribe, who led an uprising in Roman Britain)!

## Class 4

We were transported back in time to 1940, looking at the Battle of Britain! Learning about spitfires and the RAF.

Barnards Green CC are running winter training indoors at Sport Dysons on a Thursday evening 7.00-8.00pm. These sessions are for children aged 7-10 will run every week from now until March 27th. They are based on the ECB Dynamos programme so the focus is enjoyment and skill development.

We are running softball teams at U8, U9, U10 and U11 girls so there are opportunities to play in games and festivals if children wish to. Our outdoor programme will start in April. If you have any questions please email Kath Wood at: [bgcccommunications@gmail.com](mailto:bgcccommunications@gmail.com) or WhatsApp on 07538837288.

If you would be interested in coming along to run an hour session for free at the school as a taster then I am sure that can be arranged.
