

MALVERN WELLS NEWSLETTER

WEEK
25.11.2024

A note from... Mrs Alford:

What a magical week we've had! The snow brought unexpected closure, but I'm grateful for your support in ensuring everyone's safety. It's moments like these that remind us of the stunning beauty surrounding our school.

Our children have embraced the winter wonderland, exploring and creating happy memories. It's heartening to see their active learning skills flourishing (inside and outside the classroom), demonstrating their growing enthusiasm for knowledge.

We've welcomed two professional visitors this week, both of whom remarked on our school's purposeful learning environment and safe atmosphere. It's a testament to our efforts in nurturing a positive space for our children.

Excitement is building as we begin rehearsals for 'Christmas Around the World'. Please check your emails for costume requirements – your support is invaluable in making this a success.

Looking ahead, our Christmas Fayre is set for 6th December. It's shaping up to be a wonderful event, so pop it in your diaries!

Speaking of which, we have a bustling schedule coming up. Please take a moment to review our diary to stay informed of all the exciting happenings.

Thank you for your continued partnership in making our school a vibrant community.

CLASSROOM HIGHLIGHTS

THIS WEEK*

Class 1	We let our imaginations run wild as we played superhero's and enjoyed building and placing carrots on our snowman's face. Coloured paints were mixed and our dyas decorated beautifully.
Class 2	We looked back in history to inspire us on how we should paint our castles, using different tools and techniques. In maths we we used partitions and recombined 2 digit numbers. Toy Man also made an appearance as we worked on placing events in our report in non-chronological order.
Class 3	Practicing our Christmas songs and generating ideas to create our light up boxes for our upcoming DT project.
Class 4	This week we found it so much fun to compare the Anglo Saxons to the Ancient Maya. It was also amazing and funny to see Mrs Alford trying to catch a ball blind folded in assembly, such talent...

"Snowflakes are one of nature's most fragile things, but just look what they can do when they stick together." – Vesta Kelly
