

# MALVERN WELLS NEWSLETTER

WEEK  
18.11.2024

## A note from... Mrs Alford:

The crisp autumn air has well and truly settled around us and the school heating is on. I find myself reflecting on the wonderful happenings within our school walls. It's been a bustling time, filled with excitement and new experiences for our children and staff alike.

Our recent Open Day was a resounding success, thanks in no small part to our incredible tour guides and café hosts. These young ambassadors showcased remarkable courage and community spirit as they guided visitors through our school. Their pride in our community was palpable, and I couldn't be more proud of how they represented us. It's moments like these that remind us of the exceptional children we have the privilege to nurture.

Speaking of exceptional, I must mention the stunning cacti sculptures produced by Class 3. These intricate creations are a testament to the skill of our young artists and teachers.

This week, we have been participating in anti-bullying week. This has presented an excellent opportunity for us to reinforce our school values and discuss the importance of respect. We've explored our responsibility to show respect to others and our right to be respected in return. These conversations are vital in fostering a kind and inclusive environment for all.

On the subject of our ongoing improvements, I'd like to extend my gratitude to Mr Boyle for leading an informative staff meeting on the changes to our maths curriculum. It's exciting to see how these adjustments will enhance our children's learning experience.

Now, a couple of gentle reminders. Firstly, regarding parking - please continue to be mindful of our neighbours and the safety of our children when dropping off or collecting your child. Your cooperation in this matter is greatly appreciated.

Secondly, while we're delighted that parents have built strong communities through WhatsApp groups, we kindly ask for a little caution when sharing frustrations about school or teachers in these forums. Such discussions can inadvertently lead to doubt or distrust. We always welcome direct communication with the school for any questions or concerns you may have.

As always, thank you for your continued support and partnership in your child's education. Together, we're creating a vibrant, respectful, and nurturing environment where every child can SHINE!
