WEEK 2 13.09.2024

## A NOTE FROM... MRS ALFORD:

Happy Friday from me and I do hope you have all had a good week. Things have been incredibly calm and settled here at school with children back into their learning habits. It has also been wonderful to catch up with the children and find out about their holidays.

We have experienced a number of really unfortunate technical issues this week with a number of providers that have affected communications to you for which we sincerely apologise and thank our amazing ICT support for their help. Thank you ICT4!

You will notice on the annual calendar our Parent Forum on **Wednesday 2nd October at 3:30pm**. We warmly invite you to join us (all teachers) to find out about our school year, priorities and direction. There will be a considerable amount of time to answer your questions. Your questions should be sent in advance to [head@mwprimary.co.uk](mailto:head@mwprimary.co.uk) to ensure I have time to robustly answer them or disseminate them to the appropriate person to answer.

You will all have received a letter from me regarding the national changes to attendance in line with the government document 'Working together to improve school attendance.' Attendance levels have vastly improved since returning in September which is excellent. You will receive an email in the coming days that gives you key information for how this document will be applied to our school within the Worcestershire County Council framework.

Next Friday, I am looking forward to accompanying Y5 and Y6 to the Space Centre with Mr Boyle and Mrs Jackson. A reminder that teachers2parents is where you will find initial communication and the ability to pay for trips.
