

MALVERN WELLS NEWSLETTER

SUMMER 2

Week end 12.07.2024

This week has been marked by the fabulous Matilda production on Wednesday, where we really got to experience the children shining!

Next week is our final week of term and I want to take the opportunity to extend some thanks. Firstly, to the staff at Malvern Wells, our children are lucky to work with such a dedicated and capable team. To the Governors, thank you for your invaluable strategic guidance. To the PTA team who have supported us hugely this year in raising funds for our school. To some key volunteers, Gemma Stephens, Robert Bilsland, Kirsty Dunstall and Faith Armstrong, thank you for your generosity in brightening our children's experiences.

Today, you will receive your child's end of year report. We hope you find them informative and ask for your feedback in the enclosed sheet provided.

Have a lovely weekend and see you on Monday!

A note from...
Mrs. Alford

Connecting with cultures

**Connecting
with nature**

Dates to note for next year

You will have received an email from Mrs Alford yesterday outlining key dates and events for next academic year.

All trips connected to our curriculum, covering subjects such as history, geography, science, and RE, have been included in this plan. These trips will soon be accessible on T2P following this correspondence. This will allow you time to anticipate and plan for the financial contributions necessary to ensure the success of these trips.

The only expected additional excursions will be sports-related. Currently, the secondary schools we liaise with have not released their dates, so these are currently unknown. However, we will endeavor to give you 2 weeks' notice.

Should you prefer, we are more than willing to assist you in setting up a payment plan. Please contact us via email at finance@malvern-wells.worcs.sch.uk to arrange this with Mrs Elliott.

We will endeavour to keep all dates as scheduled but please note some dates may change or be added if necessary i.e. if events rely on good weather. We will alert you to these as early as possible if alterations are required.

Brian 'Mr Pebbles' Graham & his Wonderful Take Heart

I am sure that you too have had the thrill in finding a carefully hidden Take Heart pebble somewhere in town and possibly have a small collection of them in your home.

I thought the other day how empty our front garden looks and instead of flowers how beautiful it would be, if it were filled with these gorgeous pebbles instead.

I will be adding my collection this week to bring you joy and wondered if you would be so kind as to add your 'Take Heart' pebbles to our garden as well, so we could smile together when seeing them every day...

Collecting pebbles

Connecting with each other to spark joy...

"Connection is the energy that is created between people when they feel seen, heard and valued-when they can give and receive without judgement."

Mrs Champkins, Miss Barnes & Mrs Forsyth we still cannot believe that you will be leaving. You have become a part of our family and we will all miss you.

We have learned a lot from you during your time here. I wish you all the success for the future and I know you will rock in whatever you do.

Thank you for everything, good luck and please keep in touch!
