

# MALVERN WELLS NEWSLETTER

## Let Your Light Shine

### A NOTE FROM THE HEAD TEACHER

Wow, that half term has flown by and I can't believe the next newsletter I write will be in Spring 2.

Spring 1 has seen settled classrooms and a really clear consistent approach through our Teaching and Learning Rubric. Spring 2 promises to be another fast and furious term with a few significant changes as we say goodbye to Mrs M and Miss Davis (for a while).

As a Senior leadership Team, we have decided that I will return to the classroom for the summer term in Mandela class on a Thursday and Friday and Mrs Hernandez will work Mon-Wednesday. I really believe that a familiar face and someone who knows the Malvern Wells Way is the best thing for the children in that class, which roots all our decisions.

### WB 19TH FEB HEADLINES

## Wrap Around Care

Our numbers at Wrap Around Care have boomed again which is fabulous and I extend my sincere thanks to Mrs Adams for all her thoughts and planning to give it a fresh approach.

Please ensure you have booked the spaces you require to avoid disappointment because we have been incredibly busy and need to stay in ratio for children's safety.

Mrs Adams has put together some lovely plans for Spring 2 Club.

### PLEA FOR TOYS:-

If you are having a clear out over the half-term we would love to replenish our toy stock for children during the club. We are looking for:-

- Toy Cars / trains
- Action Figures
- Barbies (and equivalent)
- Building materials - Lego, Wooden blocks, Magnetic tiles.

## Attendance

BEN GARROD

SATURDAY 2ND MARCH 2024

2.00-3.00PM

MALVERN ST JAMES GIRLS' SCHOOL

Extinction - Nature's nightmare or best thing ever?? Professor Ben Garrod asks why do some species go extinct and what can we do to save endangered species?

For as long as there have been species, there has been extinction. What causes it? Why do some species go extinct and what can we do to save endangered species? Join Prof Ben Garrod as he explores how extinction is one of the most complex, interesting and evolving topics - what happened to the world's first super-predator, why one of the most successful animals of all time went extinct, and how the mighty Tyrannosaurus rex was killed.
