

MALVERN WELLS NEWSLETTER

AUTUMN 1

week end 08.09.2023

Let Your Light Shine

A NOTE FROM THE HEAD TEACHER

An unexpectedly hot start to the Autumn term and I am very impressed with how the children have managed their new transitions with the heat. It has been a very happy week and we are delighted to have everyone back. A special welcome to Ted, Hudson, Henleigh, Kiera, Luna, Delilah and Amelia who have joined our reception class and Lola who has joined Year 4, we are so pleased to have them and their families as part of our Malvern Wells family. We are delighted to welcome our new, part time, business manager Mrs Elliott.

Ofsted

I am delighted to share that, following a year of rapid improvements and changes at our school, we secured a GOOD judgement across all areas in our latest Ofsted.

Ofsted said, "Pupils feel safe, enjoy life at school and thrive." This quote exemplifies our mission here at school for children to reach their BRIGHTEST potential.

School Priorities 2023-2024

We start every new year evaluating our impact from last year and directing the school with core priorities. This year we continue with one priority from last year and have 3 new priorities:-

- Sustain consistently good quality teaching and learning over time (with a focus on embedding mental maths throughout the school).
- Improving provision and progress for pupil groups so that all learners are accessing and thriving through an adapted curriculum.
- To develop and enhance effective senior and subject leadership including the role of the SENDco and Inclusion Lead.
- To ensure assessment supports retrieval of knowledge so that children know more, remember more and can do more over time.

Information for Parents and Families:-

Over the summer, I worked on a core document to support new and current families with the day to day running of school life. Please do ensure you take time to read it, I hope it is a really useful document.
