15-19 SEPTEMBER 2025

Good afternoon,

The term has started with great energy, as children and staff settle into new routines and dive into fresh learning opportunities. I am especially delighted that Forest School is once again part of our curriculum for every year group. The benefits are wide-ranging, supporting not only wellbeing and resilience but also creativity, teamwork, and a love of the outdoors—perfectly aligned with the needs of our children and the context of our school. A huge thank you to Mrs HC, who has worked so thoughtfully to ensure our Forest School provision reflects our vision and nurtures the potential for every child's future. We are also very grateful to our wonderful volunteers, who are pulling on their wellies and waterproofs to help make this adventure possible.

It was wonderful to see so many of you at our recent curriculum meetings. Thank you for taking the time to attend—we hope you found them informative and that they gave you a clear sense of our intentions for the year ahead. Over the coming weeks, we will be updating the school website to reflect this information so it is easily available to all.

On a personal note, my own term has begun well, as I share my time between St James CE and Malvern Wells. It has been a real pleasure to bring our staff teams together and to share expertise across both schools. Yet perhaps my favourite moment has been walking back into Malvern Wells and feeling that unmistakable sense of being 'home' with my MW family. It is a privilege to work alongside such dedicated staff, delightful children, and supportive families.

# Classroom Highlights

## Class 1, Reception:

The universe sent us all the weathers to experience this week, we explored the ice from the hail, used the water from the rain in the mud kitchen, and enjoyed drying in the sunshine. We then had hot chocolate and a snack. An incredible week at Big school!

## Class 2, Y1 & Y2:

We started learning about different animals and how to group them.

## Class 3: Y3 & Y4

Mr Tilley had us all running and jumping in PE we loved every moment.

## Class 4: Y5 & Y6

Forest school is back as a core component of our curriculum, and we couldn't be more delighted. This week was all about teamwork and discovery what was in our forest school site, we built dens & de-construction (think Jenga!!). We identified trees and learnt about what we can touch/can't touch

# TIME TO CELEBRATE

On Saturday, Gustaw and his football team (Welland Juniors U8) were playing their first ever league game and they won 7-1, with Gustaw scoring their first ever league goal! As a result, he was also picked as Man of the Match.

Dominika, "We know not all games will be as successful (some teams are super strong and more experienced!), this is such a great start of Gustaw's English Football League adventure, so we wanted to share it with the Wells School Community."

We are super proud of you Gustaw!

## HENRY 100KM BICYCLE RIDE FOR CHARITY!

Henry has only just joined us last week, but on meeting him you soon realise what a charming and kind hearted person he is. It has been brought to our attention that he will be riding his bicycle 100km in one day to raise funds for the Royal National Lifeboat Institution (RNLI).

The bicycle ride itself has been postponed to October as he has injured his knee, but nothing will stop him from achieving his goal. He has a justgiving page set up and he has already managed to collect a whopping £2,857 for RNLI! What an inspiration to us all.

We will be cheering for you in October and are behind you every step of the way. Let your light shine!
