

Newsletter

06-10 OCTOBER 2025

Weekly note from Mrs Alford...

I hope this newsletter finds you well. It's been a fantastic week at Malvern Wells, full of energy, curiosity, and a real sense of purpose around the school. One of the highlights for me has been popping into classrooms and seeing the children so engaged in their learning—there's a real buzz across the school right now!

This half term, we are focusing on strengthening the culture in our classrooms, ensuring every learner feels safe, supported, and able to learn. As part of this, we have been exploring our value of community and what it means for us as a school. We've used examples such as bands, sports teams, and orchestras to show how important each individual is in helping the team achieve its goals. With the support and guidance of our teaching team, we know that every child has a valued role to play in our community, and that our classrooms are enriched by each and every one of them.

We have also revisited our three core rules — **Be Ready, Be Kind, Be Respectful** — and discussed why they are important. Please do ask your child what each of these looks like in practical terms; I'm sure they will be able to share their ideas with you.

Next week, we're excited for our Harvest Festival (details have been shared via T2P), and we hope to see many of you there. Class 3 are also off on their residential to Boundless Outdoors—an experience we know will be full of adventure, teamwork, and lots of proud moments!

Wishing you a restful weekend, and we look forward to the week ahead.

Classroom Highlights

Class 1, Reception:

We have been drawing maps to locate the Evil Pea who has been hiding in our outdoor area, creating super hero's and setting traps. We have also been looking at comparing amounts to crack the code to set Supertato free!

Class 2, Y1 & Y2:

Focusing on the story of creation in RE we looked at actions to help remember the sequence.

Class 3: Y3 & Y4

We have started a secret mission for the Prime Minister and enjoyed our learning unit on magnets.

Class 4: Y5 & Y6

Learning so many skills at forest school. Developing patience and resilience as we safely whittle sticks.

Forest School: Kind Request

We plan to create poppies in our upcoming Forest School sessions for Remembrance Day. Please send in any spare red or black wool if you can,

Martha's Amazing Achievements at the Latest Swim Gala

Ledbury & Malvern Swim Club's Rising Star Last weekend, Martha's dedication and hard work paid off in a big way at her latest swim gala. She emerged victorious in the 100m Individual Medley, earning a well-deserved Gold medal and a stunning trophy. Not stopping there, Martha also secured a Bronze medal in the 200m Backstroke. Despite being in the lead for most of the race, a small error caused her to lose some speed, but Martha's resilience and determination saw her through to the finish line, still securing a podium place.

This incredible performance has earned Martha a spot as a Gold Academy Member of the Ledbury & Malvern Swim Club, an honor that recognizes her exceptional progress and performance in the pool.

As if that wasn't enough, Martha is gearing up for another challenge this weekend at the Perdiswell Gala, and we are all cheering her on as she continues to chase her goals.

Congratulations, Martha, and good luck at Perdiswell!
